| Employer’s Share of Student Earnings | • The employer is responsible for paying the student in full for all hours worked, deducting federal, state, and local taxes.  
• PHEAA will reimburse nonprofit organizations for 50 percent of approved student earnings, and for-profit employers will receive a 40 percent reimbursement.  
• Employers must submit weekly hours worked for each employee no later than 60 days after the end of the work week. Hours received/entered more than 60 days after the work-week ending date will be considered late, and the organization will not be reimbursed. Hours greater than the weekly maximum number of approved hours cannot be submitted.  
• The system will calculate earnings based on the approved hourly pay rate multiplied by weekly hours worked. |
| Student Job Search | • Students may search for available jobs by county/city and specific job category online at [PHEAA.org/SWSP-JobSearch](http://PHEAA.org/SWSP-JobSearch).  
• Employers who wish to have their positions listed on [PHEAA.org](http://PHEAA.org) must note consent on their application or renewal form and have submitted their EFT information. |
| Email Contact Information | • PHEAA will be using email to contact employers/schools. Please be sure to keep contact information (e.g., name, phone number, and email address) up to date. Changes may be reported to PHEAA via email at [swsp@pheaa.org](mailto:swsp@pheaa.org) or by contacting PHEAA staff at **800-443-0646, option 3, option 2**, a private number reserved for the use of financial aid administrators and employers. |
| Job Descriptions | • Job descriptions are required. Employers must provide job descriptions when returning the employer renewal form. Descriptions entered via the renewal process will be automatically updated into the online student applications based on job code, alleviating the need to type the description for each student application. |
