### Information on the Privacy Act & Use of Your Social Security Number (SSN)

The Privacy Act of 1974 requires that each federal, state, or local agency that asks for your SSN or other information must tell you the following:

1. The agency's legal right to ask for the information and whether the law says you must give it;
2. What purpose the agency has in asking for it and how it will be used; and
3. What could happen if you do not give it.

The SSN is needed to be sure we know who you are, to process your application, and to keep track of your record. We use your SSN in recording information about your college attendance, and in making sure that you have received the benefit of this waiver. If you do not give us your SSN, you will not receive aid under PEGP.

Pennsylvania PEGP applicants are hereby advised that disclosure of their SSN is a requirement and a condition for participation in PEGP. PHEAA, without such an identifier, would have difficulty in maintaining proper program records. Section 7(a)(2) of the Privacy Act provides that an agency may continue to require the disclosure of an individual's SSN where the agency required this disclosure under statute or regulations prior to January 1, 1975, in order to verify the identity of the individual. Beginning in 1966 with Form S-1A-66 (First Application), applicants have been required to answer

all questions completely or face disqualification for grant assistance. All subsequent forms utilized by PHEAA contain the SSN as the identifier of the applicant, including eligibility announcements forwarded to the student and the financial aid officer of the postsecondary institution.

### Statement of Certification of Authorization

By signing the application, I/we authorize PHEAA, for any year in which the applicant is considered for a PEGP gratuity, to make public announcement of any PEGP award or rejection for the PEGP award made to the applicant; to investigate in any manner deemed appropriate by PHEAA, the eligibility of the applicant for tuition waiver under PEGP; to forward to the postsecondary institutions which the applicant listed or subsequently indicates that the applicant may attend and to others administering financial aid which may bear on eligibility under the application, all information on any application and all information subsequently submitted to or acquired by the PHEAA. I/we also authorize and direct other federal, state, and local government agencies to release to PHEAA information in their possession which may bear on my eligibility under the application. I/we understand that all documents submitted to PHEAA become the property of PHEAA and cannot be returned. I/we declare under penalty of the criminal laws of the Commonwealth of Pennsylvania that the application has been examined by me/us and to the best of my knowledge and belief is a true, correct, and complete application (see 24 P.S. §5158.1 and 18 P.S. §4904).

I, the applicant, authorize and direct the educational institution at which I am enrolled to release to PHEAA any records or other information in the possession of the institution or any of its officers or agents which relate to my record at their institution or bear upon my eligibility for PEGP.

I, the applicant, understand that this gratuity, if awarded, cannot exceed unpaid charges by the institution for tuition, fees, room and board after state and federal grants and other scholarship funds are applied.
