The Pennsylvania Higher Education Assistance Agency (PHEAA) has received notification that your family suffered severe casualty losses as a result of a recent fire, storm, or other disaster.

It is Agency policy to give special consideration to a student's application when it is determined that the family's ability to finance educational costs has been reduced as a result of losses incurred due to fire, storm, or other unforeseeable circumstances.

1. Please indicate the nature of the casualty and the date it occurred. If your family is experiencing a reduction of income due to unemployment, please complete the Reduced Income Form, not this one.

2. The total amount of the loss to both home and personal property as a result of the casualty. \$

3. If self-employed and the loss was to business property, indicate the total amount of the loss, including buildings, machinery, equipment, inventories, etc. \$

4. Of the above-referenced losses, indicate that amount which was or will be directly reimbursed through some form of insurance coverage. \$

5. Provide verification of your above losses.

6. PHEAA requires a complete copy of the 2018 U.S. Income Tax Return that you, if independent, (and your spouse, if married) or your parent(s)/stepparent, if dependent, filed with IRS, if such was not previously submitted.

THE PENALTY FOR SUBMISSION OF FRAUDULENT INFORMATION ON THIS FORM MAY BE REPAYMENT OF TRIPLE ANY AMOUNT OF MONEY RECEIVED PLUS A FINE AND/OR IMPRISONMENT.
