# Account Access

**With your account you can:**

## **Participate in the PA State Grant Program**

To pursue a PA State Grant or Summer State Grant, you must visit [PHEAA.org](https://PHEAA.org), create an account and sign in to **Account Access** to do any of the following:

- Complete the PA State Grant Form
- Apply for a Summer State Grant
- View the status of your State Grant
- Submit enrollment changes

## **Check the status of an aid application**

If you have applied for one of these aid programs, visit **Account Access** to view your application status and print related program details.

- Pennsylvania State Work-Study Program
- Pennsylvania National Guard Education Assistance Program (EAP)

## **Review and update your personal information**

With **Account Access**, it's easy to verify the personal information we have on file for you. If your information changes, update it online.

- Your address, phone number and/or email
- Your school of attendance, housing status, enrollment status, and/or program of study

## Who is AES?

PHEAA conducts its student loan servicing operations commercially as AES. AES created Account Access to provide a way for borrowers to manage their loans online. PHEAA uses this secure service from AES to support students who participate in some of the aid programs that it administers.
