

**2009-10 Academic Year
New Economy Technology Scholarship (NETS) Program
New Content Areas**

Each year the Pennsylvania Department of Education (PDE) consults with the Pennsylvania Workforce Investment Board (PAWIB) to determine education content areas critical to the economic growth of the Commonwealth of Pennsylvania for purposes of the NETS Program. PAWIB identifies high priority occupations and PDE identifies academic programs which would prepare students for those occupations. Shown below are the additional eligible content areas for the SciTech (baccalaureate degree level) and Technology (associate and certificate level) Scholarships which were identified for the 2009-10 academic year; eligibility of new content areas and programs is not retroactive to prior years or terms unless specified as such by PDE.

New Approved NETS Baccalaureate Program Areas - SciTech Scholarship

PHEAA Code	Program Name
019	Animal/Veterinary Health Sciences
	Pre-Veterinary Studies
034	Biological/Biomedical Sciences & Biomedical Preparation (Pre-Medicine, Pre-Nursing)
	Nutrition Sciences
	Pre-Medicine/Pre-Medical Studies
	Pre-Nursing
061	Computer Aided Design/Computer Aided Product Design/Engineering Graphics
	Computer Typography & Composition Equipment Operator
076	Computer Programming
	Computer Programming, Vendor/Product Certification
097	Engineering
	Quality Control Technology/Technician
152	Nuclear Engineering
	Nuclear Engineering
158	Physical /Occupational & Allied Therapies/Therapists & Physican Assistants
	Physician Assistant
163	Pharmacy/Pharmacology and Toxicology
	Pre-Pharmacy Studies
	Industrial & Physical Pharmacy & Cosmetic Sciences

New Approved NETS Associate/Certificate Program Areas - Technology Scholarship

PHEAA Code	Program Name
500	Aerospace & Astronautical Engineering/Technology/Technician
	Aeronautics/Aviation/Aerospace Science & Technology, General
518	Animal Bioscience & Agribiotechnology
	Pre-Veterinary Studies
581	Computer Aided Design/Drafting & Design Technology/Engineering Graphics/ Computer Graphics
	Computer Typography & Composition Equipment Operator
596	Computer Programming/Business Computer Programming
	Computer Programming, Vendor/Product Certification
652	Health Sciences & Health/Medical Info Systems
	Pre-Medicine/Pre-Medical Studies
	Pre-Pharmacy Studies
	Pre-Nursing Studies
653	Industrial Engineering/Manufacturing Technology & Nanofabrication
	Quality Control Technology/Technician
	Industrial Mechanics & Maintenance Technology
725	Science & Engineering Technology
	Science Technologies/Technicians, Other
