Memo

To: Financial Aid Administrators

From: Elizabeth K. McCloud
Vice President,
State Grant and Special Programs

Date: October 2019

Subject: 2019-20 Scholarships Administered by Partnerships for Access to Higher Education (PATH) Partners

Through the Matching Funds Commonwealth appropriation, the Pennsylvania Higher Education Assistance Agency (PHEAA) partners with non-profit, community-based Pennsylvania organizations/foundations to provide Pennsylvania students attending eligible Pennsylvania postsecondary institutions with matching funds via the PATH (Partnerships for Access to Higher Education) Grant Program.

As you are aware, our PATH partners administer numerous scholarships, and this can make it cumbersome for postsecondary institutions to identify scholarship funds received from a PATH partner for matching purposes. Therefore, we have compiled the attached list of scholarships administered by our PATH partners for your convenience. This list will also be placed on the Document Library at PHEAA.org. We hope that you will find this scholarship list useful as you work with PATH grants. Please note that this list may be updated throughout the year as additional information is received from our PATH partners.

Any questions regarding the scholarships should be directed to the PATH partner administering the scholarship. Contact information for the PATH partners is located in the 2019-20 PATH Program Guidelines, which can be found in the Document Library under PATH. Any questions related to the PATH Program should be directed to State Grant and Special Programs staff by phone at 1-800-443-0646, option 3, option 2, a private number reserved for the use of financial aid administrators, or by email at path@pheaa.org.
