Re: 2023-24 Scholarships Administered by PA Partnerships for Access to Higher Education (PATH) Program Partners

Through the Matching Funds Commonwealth appropriation, the Pennsylvania Higher Education Assistance Agency (PHEAA) partners with nonprofit, community-based, Pennsylvania organizations and foundations to provide Pennsylvania students attending eligible Pennsylvania postsecondary institutions with matching funds via the PATH Program.

As you are aware, our PATH partners administer numerous scholarships, and this can make it cumbersome for postsecondary institutions to identify scholarship funds received from a PATH partner for matching purposes. Therefore, we have compiled the attached list of scholarships administered by our PATH partners for your convenience. This list will also be placed on PHEAA.org/PATH. We hope that you will find this scholarship list useful as you work with PATH grants. Please note that this list may be updated throughout the year as additional information is received from our PATH partners.

Any questions regarding the listed scholarships should be directed to the PATH partner administering the scholarship. Contact information for the PATH partners is located on pheaa.org/PATH under Participating PATH partners.

Questions related not to specific scholarships, but to the broader PATH Program, should be directed to PA State Grant and Special Programs staff by phone at 1-800-443-0646, option 3, option 2, a private number reserved for the use of financial aid administrators, or by email at path@pheaa.org.
