Qualification for Deferment Information

Definition of Deferment:

A DEFERMENT is a period during which I am entitled to postpone fulfillment of the NETS employment obligation agreed to in the New Economy Technology Scholarship Master Promissory Note(s) I signed. This deferment may not exceed six years in duration.

Eligibility Criteria:

I am enrolled in a FULL-TIME course of graduate or continued undergraduate study at an institution of higher education, as defined in Section 1201(a) of the Higher Education Act (20 U.S.C. & 1071 et seq).

Post-Deferment Work Obligation:

At the end of the deferment period, I will be required to begin full-time employment in Pennsylvania in a field related to a NETS approved program of study. In addition, I must work full-time for 12 months for each **academic year** (2 semesters or 3 quarter terms) of full-time NETS funds I received. Each full-time semester award carries a 6-month work obligation and each full-time quarter award carries a 4-month work obligation. Likewise, each half-time semester award carries a 3-month work obligation and each half-time quarter award carries a 2-month work obligation.
