Qualification for Deferment Information

Definition of Deferment:

A DEFERMENT is a period during which I am entitled to postpone fulfillment of the NETS employment obligation agreed to in the New Economy Technology Scholarship Master Promissory Note(s) I signed.

Eligibility Criteria:

I am currently fulfilling full-time out of state job requirements and have been granted an extended deferment of the work obligation until said rotation has been completed or unless I do not renew this deferment every six months.

Post-Deferment Work Obligation:

At the end of the deferment period, I will be required to begin full-time employment in Pennsylvania in a field related to a NETS approved program of study within 12 months. In addition, I must work full-time for 12 months for each **academic year** (2 semesters or 3 quarter terms) of full-time NETS funds I received. Each full-time semester award carries a 6-month work obligation and each full-time quarter award carries a 4-month work obligation. Likewise, each half-time semester award carries a 3-month work obligation and each half-time quarter award carries a 2-month work obligation.
