Therefore, you (and your spouse, if married) are requested to complete and sign this form. If you have questions concerning this matter, please contact Agency staff toll-free at 1-800-692-7392 (TTY: Dial 711 for hearing impaired).

1. List each person, and their relationship to you, that you will support between July 1, 2019 and June 30, 2020. Include yourself and your spouse. Include your children if they receive more than half of their total support from you or if they would be required to provide your information when applying for Title IV Federal Student Aid. Include others if they now live with you and receive more than half of their total support from you and will continue to receive more than half of their total support from July 1, 2019 through June 30, 2020. Do NOT include any children for whom child support paid has been reported.

Please note that in order for you or your spouse, if married, to claim that you are providing more than half of someone’s support, you must be able to demonstrate that the direct support you provide is greater than the personal resources of the individual listed in the household size. Relevant definitions include:

Direct support represents both in-kind support such as free/reduced rent, utilities, medical and dental care, payment of college costs or services in addition to actual cash assistance. Individual personal resources include both taxable and untaxable income such as wages, unemployment compensation, retirement income/distributions, dividend and investment earnings, Social Security benefits, disability payments, and other sources of income.
