

PHEAA is invested in you!

Since 1963, the Pennsylvania Higher Education Assistance Agency (PHEAA) has been working to create affordable access to higher education for students across the nation. Through this mission, PHEAA devotes energy and resources to develop innovative ways to ease the financial burden of higher education.

One such innovation is through the development of the PA Forward Student Loan Program, a suite of financial aid products designed specifically for PA students, families, and schools to finance higher education costs beyond federal loans, grants, and scholarships.

Smart Borrowing

Remember... Borrow only what you need and exhaust other FREE or subsidized types of aid before using private loans.

Because student loans must be paid back, we always encourage students and families to borrow only what is needed to cover costs. If you need additional funds after obtaining financial aid through grants, scholarships, and federal loan programs, consider a PA Forward Student Loan.

Everything you're looking for in a private student loan, including great benefits!

1) Annual Percentage Rate (APR) Calculations - The lowest APR is based on the following assumptions: a loan of \$10,000 made in a single disbursement, a borrower who selected an Immediate Repayment Plan and a repayment term of 120 months, monthly payments of \$102.29 and a final payment \$78.64, a fixed periodic interest rate of 4.47% and a total amount financed of \$12,149.33. The borrower in this sample qualified for a 0.25% *Direct Debit* benefit for the entirety of the repayment period and a 0.50% graduation benefit was applied 47 months into repayment.

The highest APR is based on the following assumptions: a loan of \$10,000 made in a single disbursement, a borrower who selected a Fully Deferred Repayment Plan and a repayment term of 180 months, monthly payments of \$116.26, a fixed periodic interest rate of 6.92%, and a total amount financed of \$20,925.92. The borrower received an in-school deferment of 46 months and a grace period of 6 months. The borrower in this sample did not qualify for any interest rate discounts.

Please note these APRs are estimates and may differ from the actual rates received.

2) Subject to aggregate loan limits.

Applicants, including co-signers, are subject to credit qualifications, completion of an application and credit agreement, and verification of application information.
